

THE MEDITA

1955

The image shows a book cover with a dense, wavy, wood-grain-like texture. At the top, the title "THE MEDITA" is printed in a bold, sans-serif font. In the lower right quadrant, there is a large, light-colored diamond-shaped emblem. Inside this emblem, the year "1955" is written in a stylized, cursive font. The emblem is surrounded by several parallel lines that radiate outwards, creating a sense of depth and focus. The overall design is elegant and classic.

MEDITA

Those who leave Huntington Township this year will remember with pride in the future years, their old friends and associations.

To perpetuate this lingering memory is the purport of the 1955 "Medita".

May it's pages be ever a source of fond remembrance.

There is a Door where Pupils enter in
To learn of Tin and Gold and Gold and Tin
And when the Sage and Pupils are no more
The Door will be as it has always been.

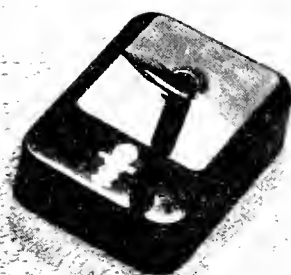

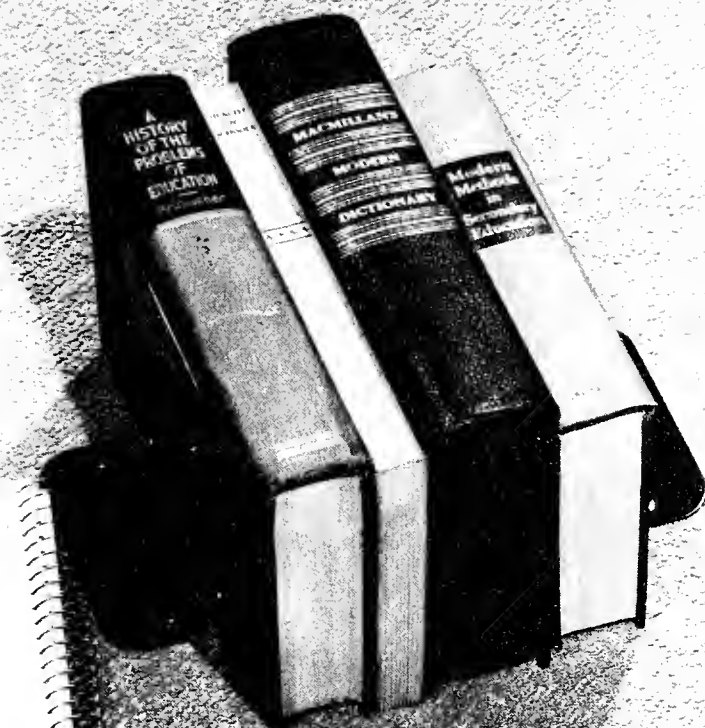

DEDICATION

In appreciation of his unselfish devotion and service to our School
we sincerely dedicate this book to- Mr. Alfred Piedmont.

CLASS HISTORY

On August 30, 1943, forty-five very frightened but determined young pupils entered the first grade at Huntington Township. Our class was divided into two groups, our teachers being: Mrs. Dessie Steel and Mrs. Madge Musgrave. Of that forty-five that started, twelve are still with us. They are: Marjorie Bruss, Jim Crago, Carolyn Davis, Jerry Funderburg, David Huston, Tom McNally, Birdie Robison, Larry Shriner, Jack Slusser, Roland Snider, Joan Kline, and Joan Harris.

We were fortunate enough to progress on to the second grade where we were still divided into two groups, our teachers being: Mrs. Nina Vernerder and Mrs. Madge Musgrave.

We were now in the third grade and together at last. The lucky teacher was Mrs. Marie Young. Our class increased in size with Kent Andrew coming from Horace Mann, Sandra Brown from Union, Carol Hiers from Tipton, and Gordon Swain from Scio, Ohio.

While Miss Isabella Geasman was trying to teach us long division in the fourth grade, Edward Kline from Riley, joined the bewildered group.

We enjoyed our short stay in the fifth grade very much. Our teacher, Mrs. Ida Wike, taught us a great deal about wildlife and took us on hikes through the surrounding country side. Coming from Rock Creek to help us enjoy these hikes was Larry Nelson.

During the sixth grade, Mrs. Fleck, our regular teacher, became ill. During the first semester, we had many substitute teachers. The new members this year were Betty and Marylin Ferguson from Lincoln, Elaine Pinkerton from Central, and Janice Eckert from Huntington Catholic.

At last we reached Junior High. Our first sponsor was Mrs. Stitely. During this year we could now have class parties. Taking advantage of this fact, we had our first hay ride. The new addition to our class was Roberta Vought from Bippus.

In the eighth grade we were becoming accustomed to changing from one class to another at the end of each period. We had as our sponsor Mr. Homer Kline. We were joined this year by Betty Day from Rock Creek, Sandra Martin from Horace Mann, and Nancy Settlemyre from Riley.

We become indeed big wheels in our Freshman year. This year the girls were invited to join G. A. A. We had a lot of fun with our new sponsor Mr. Alfred Piedmont. We elected as class officers: President, Larry Shriner; Vice President, Carolyn Davis; Secretary, Sandra Martin; and Treasurer, Roland Snider.

In our Sophomore year we again had Mr. Piedmont as our sponsor. We were finally becoming accustomed to High School and were constantly teased by the upper classmen. Our class officers were: President, Roberta Vought; Vice President, Edward Kline; Secretary, Carolyn Davis; and Treasurer, Roland Snider.

During our Junior year we had two sponsors. They were Mr. Piedmont and Mr. Richard Bussard. We ended the Junior year with more money in our treasury than any Junior Class before us. We gave a reception for our Juniors and Seniors, the theme being "Stairway to the Stars" and for our class project we sold magazine subscriptions. Our class also sold refreshments at all the home ballgames and presented as our Junior play, "Kicked Out of College." Our class officers were the following: President, Carolyn Davis; Vice President, Larry Shriner; Secretary, Roberta Vought; and Treasurer, Roland Snider.

At long last we are now Seniors. There are now twenty-seven of us who are fortunate enough to have made the grade. We have Mr. Piedmont and Mr. Norman Robinson as our sponsors and our class officers are as follows: President, Carolyn Davis; Vice President, Roberta Vought; Secretary, Sandra Martin; and Treasurer, Roland Snider. Since our Senior play, "The Custers' Last Stand" is past, we are looking with great expectations to the things which lie ahead, our Junior and Senior Reception, Commencement, and finally the Senior trip. We will then be forced to turn our footsteps away from Old H. T. H. S. and seek our fortunes.

CLASS WILL

Inscribed and dedicated with all due respect, our will of 1955
Bequeath we our gifts both large and small
To be used by our Township evermore.

To our dear Township, we will all our best wishes for its greater future, our strong admiration of its worthy benefits, and lots of pep to keep up the real Township Spirit.

I, Kent Andrew, will to Danny Merryman and Larry Rader my fierce Irish temper. Give it back to Robbie when you're through with it.

I, Sandra Brown, will to Shirley Follis my ability to hold hands in class and not get caught.

I, Marjorie Bruss, will my pleasing personality to Roxanna Swindler.

I, Jim Crago, will my false tooth to Jay Laurie and Larry Landrum.

I, Carolyn Davis, will my ability to keep my mind free from boys to Sue Kline.

I, Betty Day, will to Lenna Oldfield my ability to talk more and say less than anyone in school except the teachers.

I, Janice Eckert, will my driving ability to Shirley Coy.

I, Betty Ferguson, will to Bonnie Settlemyre, my ability to not go steady until I'm out of school.

I, Marilyn Ferguson, will my ability to play the piano to Lois Sands.

I, Jerry Funderburg, will my good looks and ability to sweep girls off their feet to Marvin Beady and Marvin Milholland.

I, Joan Harris, will my ability to get along with all students and teachers to Carolann Hall.

I, Carol Hiers, will to Barbara Paxton my ability to out-talk the Home Economics teacher.

I, David Huston, will my ability to go steady with more than one girl at a time to Tom Earlywine.

I, Edward Kline, will to Bob Mitchell my ability to flirt with other girls while going steady.

I, Joan Kline, will my ability to sit down while bowling to Patricia Phillips.

I, Sandra Martin, will my used bookkeeping book to Shirley Keplinger. You'll need it.

I, Tom McNally, will my ability to go with one girl for a long period of time and not go steady to Clifford DeWitt and Dan Bucher.

I, Larry Nelson, will my ability to get along with teachers to Ladd Sargent and Charles Swales.

I, Elaine Pinkerton, will my ability to get engaged before graduating to Margaret Van Meter.

I, Birdie Robison, will my luck as a cheerleader to Carolyn Krider.

I, Quentin Sargent, will to Carl Wall and John Shoemaker my ability to get along with girls.

I, Nancy Settlemyre, will to Mary Ann Falk my ability to imitate Miss Scott when she's mad.

I, Larry Shriner, will to Larry Barber and Rolland Hoch my jeep which will go up hills backwards when it won't go forward.

I, Jack Slusser, will my ability to goof off on the basketball floor to Jim Sailors.

I, Roland Snider, will my quiet, winning ways to Halon Walton and Bob Coy.

I, Gordon Swain, will to Fred Tobin and Joe Callahan any good traits they can find in me.

I, Roberta Vought, will my ability to steer clear of the detention room to Sandra Jackson.

This mournful task is over,
Our seal we engrave with a sigh.
As a last and fitting memorial,
We will a solemn "Good-bye."

Carol Hiers

PROPHECY

We four Juniors of 1955 after twenty years of hard labor with no success, we find ourselves resting at the Huntington County Infirmary. For our pleasure the county has given us a 36", technicolor, sterephonic sound, cinemascope, 75 Console Model TV set.

As we switched on the automatic dialing we found ourselves watching the "Afternoon Sports Review". The highlight of the program is an interview with the "coach of the year", "Corky" Swain. "Corky" says that his Cleveland Indians are sure to win the world series after losing for nine years to Brooklyn. He also said that it wasn't for his wife, the former Birdie Robinson and her inspiration to the Indians, that they wouldn't have a batting average of .535. As we travel around the sports world in 60 seconds we go on to the basketball game with the Boston "Whirlwinds" facing the Toledo "Mercuries" in the first game. The opening tipoff is about to begin and who do we see jumping center but Tom McNally and Dave Huston, who have made good in pro basketball. We see Jim Crago and Jack Slusser sitting on the bench beside the coach, and we think they are injured until during the first time out when we saw Jim and Jack trot out on the floor with smelling salts and a towel. At half-time there was an interview with Jerry Funderburg who told us that he enjoys his job of being detective at the ball game. He said his main job was trying to find out who was throwing soggy popcorn balls at the referees during the ball game. At the end of the game we were very proud to see Marilyn and Betty Ferguson and Janice Eckert as the yell leaders for the victorious Boston team.

Since it was time for our regular evening walk into town (only a quarter of a mile), we turned off the TV set and went on our way. As we were walking along we almost got hit by a big long, sleek Cadillac which came to a screeching stop, and out jumped Quentin Sargent who asked if we wanted a ride into town. As we were riding along he told us that the car wasn't his, but that he was just a chauffeur for Elaine Pinkerton, who is a great writer, her latest edition being "How to Trap a Man in Ten Easy Lessons". Quentin let us out at the court house where we sat on the steps and ate our sack lunch. As we were eating our lunch who should we see but Larry Nelson, who told us he had just been voted the "Best Dressed Bum of the Year". As we were walking along the street we saw Carolyn Davis's picture on a billboard. We went a little closer and saw that she was running for the first woman governor of Indiana. We got back at the farm at 7:30 p. m., in time to see "This is Your Life", and who should be the guest but Eddié Kline, the great producer of Guerangwhiface (new breed of cattle Ed invented, Guernsey, Angus and White Face). Many of his friends were flown in from all parts of the world, but he was really surprised to see his former secretary, Miss Betty Day, who is now employed at the Latin Quarters with her French Can-Can girls. Carol Hiers and Roberta Vought are the leading team of girls in her floor show and they say that they really enjoy show business very much. Joan Kline was flown in from Washington D. C. She was Eddie's former singer, who sang for the cows while he milked. And, last but not least, Ed's wife, the former Sandra Brown, his high school sweetheart, who is now taking Joan's place, singing to the cows. That was the end of the program and on came another one of those commercials. This one wasn't boring though, because on it we saw Joan Harris who was modeling a Chinchilla bathing suit with handbag to match, and shoes made of Russian Ermine. It was designed by the famous Sandra Martin who is now working out of Gay Paree. Closing the commercial, Nancy Settlemyer was advertising the sleep-well mattress made out of foam plastic. She says, "Sleep on this and you will feel like getting up again."

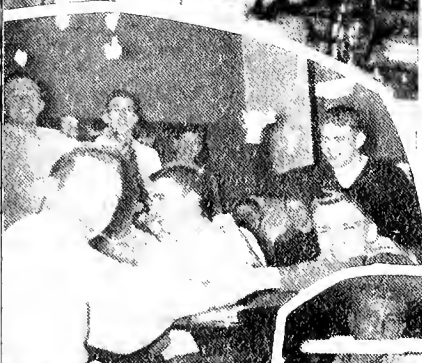

The next program we see is the Kent Andrew Serenade, which is a modern day version of Liberace. His guest star was Roland Snider who is a big wheel with Capital Records. His latest recording is being worked over "Re-enlistment Blues".

It is now 12:30 a. m., and on the screen came Margie Bruss. It seems strange that we never pictured her as a big TV star. Margie is a disc jockey on the night owl show which lasts until 1:30 a. m.

We turned off the TV set and was just about ready to go to bed when we glanced down at the evening edition of the paper. A big ad was advertising "Larry Shriner & Sons, new and used car dealer". It seems that Larry bought out Powers and afterwards didn't have enough money to buy a new car so he is still driving his '36 Ford.

After a long hard day of hearing and seeing the Seniors of 1955, we decided to retire, because the next day was the big day of the year. The County Commissioners headed by Mr. Piedmont, were coming to inspect the inmates and the home: since we were former students of Mr. Piedmont's we wanted to look our best.

That's not all tonkey-talk either about the enjoyment we got at Township. Sincerely, folks, we sure hate to stop - but such is life.

SECTIONAL CONFERENCE COUNTY CHAMPIONS

BASKETBALL

The Township Bearcats finished a magnificent season with a 25-2 record which sets a new mark not only for Township but for the County. The old county record was set by Andrews in 1943 which was 23-1. Our only defeats came the first game of the season by Van Buren and in the regional when a much taller Hartford City team beat us.

The Hendricksmen received its first honors when they won the Huntington County Tournament by defeating Andrews in the finals.

In the final game of the season they defeated Rock Creek to win the County Conference with a 9-0 record. This win leaves Township in possession of the Traveling Trophy until the season opens next year.

Township drew Huntington High School in the first game of the sectional, who they defeated in an overtime. This is the first time Township has defeated Huntington, and also the first time Huntington has been defeated in their first game of the sectional. Our team later defeated Roanoke in the final game.

This is the first time a sectional winner has been the winner of the County Tourney and County Conference.

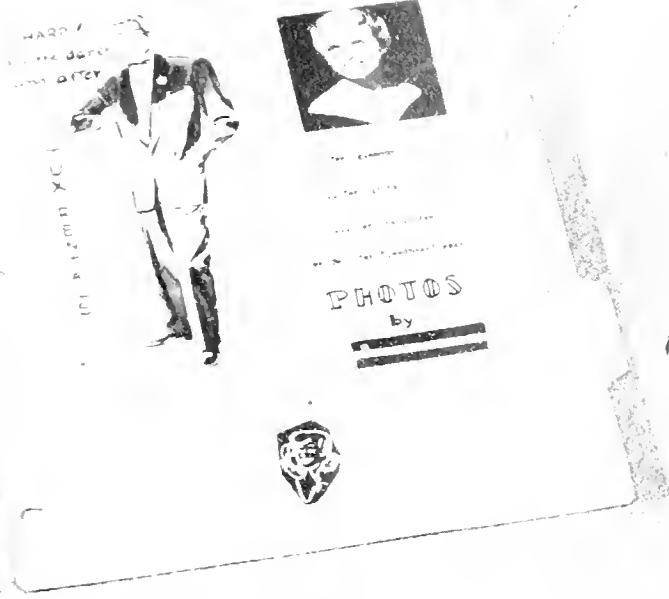

This year the team tied for the States longest winning streak by winning 25 in a row. Another interesting fact is that we have now beaten Catholic 7 straight times over the past 3 seasons.

Fred Tobin won the varsity free throw championship with an average of .659. The team free throw average was .597. The varsity field goal average was .378 with Crago hitting a blazing .439, followed by Laurie .390, Shriner .361, Tobin .354, and Slusser .345.

Jack Slusser was voted honorary captain of the team for the season by his team-mates.

The team next year should be very good with 7 of the varsity returning and a very promising second team coming up to help.

The above record set by the team this year is an indication of the very capable direction for the past 5 years of our coach, Mr. Hendricks.
